

Commercial Group

**iliya**

## ● Company overview

By benefiting from vast farms and years of experience, Iliya Trading Company has started its business in the production and processing of various types of nuts and dried fruits. Also, this company has benefited from experienced experts and advanced types of machinery. This company has produced the highest quality products and succeeded to maximize customers' satisfaction. Consequently, this team has reached the leading producer and exporter place in the Middle East. Considering customers' health as an important element, Iliya Trading Company has the most advanced laboratories for quality control that enables us to ensure the health of the products.

## **Business description**

Nuts and dried fruits include various types of raisins, dried apricots, dates, almonds, pistachios, walnuts, hazelnuts, etc. Due to their numerous properties and delicious taste they have become popular over the past decades. As a result, so many countries started producing these tasty products. Among those countries, China has the first place in this field, and second to fourth place respectively belongs to India, Brazil, and America. By hiring a group of experienced experts, Iliya Trading Company has become one of the main producers and exporters in the Middle East and we are looking forward to gaining a great place in international markets.

## **🕒 Visions and values**

Iliya Trading Company is eager to expand its business through more farms and state-of-the-art pieces of machinery. Therefore, this group has aimed to increase its production in terms of quality and quantity and become one of the leading brands all over the world. In this regard, we have selected a set of company values that are mentioned in the following sentences:

- . Constant reduction of production negative impact on the environment**
- . Considering global standards**
- . Producing high-quality and organic products**
- . Personal accountability**
- . Creating client value**
- . Responsibility**

## **○ Missions and targets**

**Iliya Trading Company desires to grow its consumers to include millions of customers, therefore, this corporation has focused on traders' and buyers' satisfaction by producing the products in accordance with international standards. In connection with this, we have created a mission statement as follows:**

- . Long-lasting communication with our fellow traders**
- . Keeping the equipment up-to-date for high efficiency**
- . Enhancing diversity**
- . Constant monitoring of every aspect of production and drafting a well-organized quality control plan**
- . Increasing the market share**
- . Conducting workshops as a mode of learning**
- . Receiving all international certificates**

## ● Message from the CEO

When identifying a trading company's place in the market, undoubtedly the satisfaction rate plays a pivotal role. Therefore, Iliya Trading Company strives to upgrade the quality and make use of its potential to achieve its goals. The main principle in this company is to apply the knowledge of our experts to ensure customers' health and gain their trust and satisfaction.
